COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On September 2, 2004, the United States Patent and Trademark Office issued an Office Action in connection with the above-identified United States patent application requiring a restriction of the claims. The Office Action provided a one-month shortened statutory period for reply.

On September 23, 2004, prior to the expiration of this one-month period for reply, Applicants filed a Response to Restriction Requirement electing claims for further prosecution pursuant to the Office Action.

Upon arriving today, Applicants' attorney listened to a voicemail message from Examiner Katherine Mitchell inquiring as to whether Applicants had ever filed a response to the Office Action as the United States Patent and Trademark Office had no record of any such response as she just wanted to make sure prior to allowing the application to become abandoned.

Applicants' attorney contacted Examiner Mitchell to inform her that the application was not to be abandoned as the Response to Restriction Requirement had been filed on September 23, 2004. Examiner Mitchell instructed Applicants' attorney to fax a copy of the Response to the Restriction Requirement, as well as a copy of the Certificate of Mailing and the postcard receipt to the United States Patent and Trademark Office to fax number 703-872-9306.

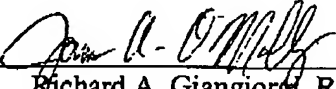

As such, in accordance with Examiner Mitchell's instructions, Applicants have attached to this letter a copy of the Response to Restriction Requirement and the transmittal therefor (Form PTO-1083) (both of which have the Certificate of Mailing thereon), a copy of the Express Mail Mailing Label, and a copy of the return receipt postcard acknowledging that the United States Patent and Trademark Office received the Response to Restriction Requirement and the transmittal letter therefor.

In view of the foregoing, Applicants request that this application continue to be prosecuted and not abandoned.

If there are any questions regarding the foregoing, please contact one of the undersigned attorneys.

Respectfully,

Date: March 17, 2005
